

第7話

Especially
chicken is
great.

A familiar
that loves
meat.

For a pet that
does nothing
but eat and
sleep, you sure
ask a lot.

So make it
more often.

Ha
ha.

I am

Anna.

Aito.

I don't
want
that!

It can
be done.

リーゼロッテと魔女の森 2

That's good,
we're no
longer alone
now.

Will you
have tea
with us,
Alto?

And you
don't worry
enough!!

Alto, you
worry too
much.

A young man
and woman
should not
be left alone
at night.

No
thank
you.

I
heard
that!!

That's right,
he only
pretends to
be a nice
boy

He's got only
one thing on
his mind.

Why?
Do you
still have
work?

I have
already said
several times,
I am a servant
and you are
my mistress.

No, that's
not it.

If we're
alone at
night,

I'll go!
So stop it with
these stories!

The
witches
might come
out.

I will have
tea with
you!!

Yomi is
the
sister of a
witch.

It's a
taboo
subject!

I
believe
you
but...

You
believe
that all,
Ant?

And
witches
are all
the
same.

Anna, stop
these talks
about witches,
understand?

You
heard the
villagers
this
morning,
right?

Don't believe
all these
rumors

I don't
know what
you heard,

But witches
lurk among
humans to
find an
occasion to
curse them

Here,

You know

*What's special
about tomorrow?*

A ham-
burger

You can't,

It's not
chicken!

That's not
for you
to decide!

Do not
take me
for an
idiot!

Er...

and do what
you love with
other people.

Tomorrow
is a day
where you
can eat

That's
right!

I
wouldn't
forget.

You
guessed
correctly!

Yes, it's
your
birthday
Lise...

Yeah...

Hmm...

This year
my big
brother is
too busy, he
can't come.

Enrich,

this year
I would
like to
invite you.

Will you
come...?

Invitation
for
Enrich

Richard is really embarrassing sometimes, I'm glad he can't come.

If my brother heard that he would be angry.

Thank you very much.

I thought that

you would not invite me.

I want hamburgers.

In that case...

I will prepare what you want, Enrich.

What do you want to eat tomorrow?

My favourite dish!

but that's

This year too?

**A
special
day,**

And the person
I
love...

That day you
introduced
Enrich to me

And since
then, he
has remained
by my side

He
protects
me

Constantly

Even in
everyday
life

By
putting

He is
indeed

Enrich.

Big
brother,

His own
life at
stake.

But,
ehh!

Ouch!

リーゼロッテと魔女の森 2

What
are you
going to
do by
yourself?

Meow

Wait...

A wi...

A
witch...!!

Grr...

Meow...

Grr...

What
was
that...

To think that,

Ha ha...

there are
witches
other than
Yomi!

Yomi!

That's the
witch you
and Sir
Engetsu
came across?

Miss
Liselotte,
that was...

But is what
we saw
earlier a
witch or
not?!

Yomi is
the familiar
of the
witch
Vaterindol.

Because
you're the
familiar of
a witch.

Why are
you
asking
me?

Was that
really a
witch?

Yes?
Why are
you calling
me so
suddenly?

But I
don't
know
her.

It was
a
witch,

...

Witches really exist.

Why do they all appear here?

Why did she come so far?

Valerinde is not a witch as weak as those two.

She is much more powerful and commanding!!

Then that means ...

Watch their every word. They just need to speak

and misfortune will befall on us without us even noticing.

You know,

The villagers were right.

She wants ...

To just have fun or is she spying on us?

Whatever...

Rather,
let's
return
inside...

It might
come
back!

It
doesn't
matter.

I
will
go
see...

Your
existence in
itself

is the source
of much
misery.

Wait,
please.

Everyone

I have
an
idea!

Wait...

Wait till
tomorrow
morning.

Visit the
witches!!

Today we
will

Lise...

I found
Oji-san was
weird when
he was
talking about
witches.

But don't
worry Anna,
Alto. I know
what to do
now.

Uh...
Yes, that's
right!

that you've
thought of
all night...?

Is
that
the
idea

that with
the bottom
of my
heart.

That
is
why

I said that

Yes.

I'd start
a new
life here.

And I
believe,

I want
to learn
a little
more about
witches.

So that
we will
not regret
it
afterwards.

I will
make
an
effort

And it
will not be
through
rumors or
superstitions

I want to
see them
with my own
eyes.

I cannot rely
on the
prejudices of
others

Without
going to
verify it
for myself

I will do
everything
to become
that person

This is
the kind
of person

I want to
become.

From now
on,

I'm
happy to
have
understood
that.

If I had
not talked
to Ojii-san,

I would not
have known
that deep down
he kindly thinks
of others.

I want to
try and
talk with
them

So I
just
want

To be able
to talk at
least once
with these
witches.

...That is to
say we must
face reality
with courage.

Me,
I know.

Where
they
are?

You
know

But...

I worked
very hard
all morning
to make it.

It'll be
ready
soon.

This is the
first time
I made a
cake.

I'll bring it
as a welcome
gift!!

GYAA!!!

**IT LOOKS
REALLY
DISGUSTING!!!**
